FullAuto + HalfAuto Panel

DailyBreaker by InrexEA

DailyBreaker contain 2 Full Auto Mode and Half Auto panel . Good for all pairs . The best Martingale or Grid systems decided by different type of users . Target profit over 40% monthly on one signal pair . On developer 's live result has made over 100% in 2 months until now . DailyBreaker is stable and profitable .

The concept of DailyBreaker is , From Small Capital to Big Capital . Never be hurry and keep asking for orders . Trading is like fishing . NO ONE CAN CONTROL THE MARKET . So please learn keep waiting for best chance by using DailyBreaker .

Before you buy all of my product please be aware of the risks involved: 1) Please do not over believe in backtesting result . No one can 100% predict the future . 2) I do not use any .set file , Because I believe that the best strategy should be not disclosed to public but can still serve us . 3) Sometimes a conflicting of market can cause the account a short period of Drawdown , Please get ready for it and wait for profit . 4) DailyBreaker are dependent on good brokerage conditions, like low spread and slippage.

	Average	consecutive wins	5	consecutive losses	2

TimeFrame .

F ull Auto Mode

If you want to get the result from Backtest up there , You just need to click button on the chart to active “**Full Auto on**” and Also “**Allow Sell**” + “**Allow buy**” . User are allow to select your own direction to trade .

Full Auto mode will do grid order when breakout with correct momentum in the pair . We suggest to use M1 / M5

A ggressive Mode

If you want to get the result almost same as my Signal monitor , Here is the setting : “**Full Auto on**” and Also “**Allow Sell**” + “**Allow buy**” + “**Aggressive On**”. Users are allow to choose your own direction you like .

Aggressive mode will do Martingale order when Over Sold or Order Bought with the pair . We suggest to use M1 / M5.

Special Parameter

Variable	Value
 pending pips	100
 takeprofit	110
 winning step by pips	2000
 losing step by pips	200
 Maximum orders allow	10
